INFANT HABITUATION AND PREFERENTIAL LOOKING SOFTWARE LICENSE AGREEMENT

BY CLICKING "I ACCEPT," ACCESSING THE SOFTWARE, DOWNLOADING OR INSTALLING THE SOFTWARE, OR BY OTHERWISE USING THE SOFTWARE INDICATES YOUR ACCEPTANCE OF ALL THE TERMS AND CONDITIONS OF THIS AGREEMENT AND THAT YOU ARE BINDING YOURSELF AND THE BUSINESS ENTITY THAT YOU REPRESENT (COLLECTIVELY, "LICENSEE") TO THIS AGREEMENT.

The following terms of this License Agreement ("Agreement") govern Licensee's access and use of the Software, except to the extent (a) there is a separate signed agreement between Licensee and BYU governing Licensee's use of the Software or (b) the Software includes a separate "click-accept" license agreement as part of the installation and/or download process.

Section 1: Software License Agreement

1.01   This is a license agreement, not a transfer of title, between Licensee and Brigham Young University (BYU) governing Licensee use of the Software.

Section 2: Ownership

2.01   The Infant Habituation and Preferential Looking™ software programs ("Software") are a proprietary product of BYU and is protected by copyright and trade secret laws. Copyright laws prohibit making any copies of the Software for any reason. Licensee may not copy the written materials, if any, accompanying the Software.

2.02   Licensee acknowledges that the copyrights, trade secrets, and all other intellectual property in the Software are owned by BYU.

2.03   If Licensee receives any external requests for copies of or access to all or part of the Software, Licensee will ask the people making these requests to direct their requests to BYU.

Section 3: License

3.01   BYU grants to Licensee a nonexclusive, non-transferable right to use the Software for Licensee's internal educational purposes for which Licensee has paid the required license fees on a single-user computer or a single terminal or work station of a multi-user computer or local area network. Each work station or terminal on a multi-user computer or local area network must be separately licensed by BYU. Accordingly, Licensee's license to use the Software shall be limited to, and Licensee shall not use the Software in excess of, a single hardware chassis or card or that number of agent(s), concurrent users, sessions, IP addresses, port(s), seat(s), server(s) or site(s), as set forth in the applicable Purchase Order which has been accepted by BYU and for which Licensee has paid to BYU the required license fee.

Section 4: Restrictions

4.01   Licensee agrees not to rent, lease, sublicense, distribute, transfer, copy, reproduce or permit unauthorized access to the Software, or permit third parties to do the same. Licensee may transfer this license to another person or entity only if Licensee obtains the prior written approval of BYU.

4.02   Licensee shall not, without BYU's express written consent, electronically transfer the Software through a LAN or other network system or though any computer subscriber system or "bulletin board" system.

4.03   Licensee shall not create derivative works based upon, make error corrections to or otherwise modify, reverse engineer, decompile, decrypt, disassemble or otherwise reduce the Software to human-readable form.

4.04 Licensee shall not use or permit the Software to be used to perform services for third parties, whether on a service bureau or time sharing basis or otherwise, without the express written authorization of BYU.

Section 5: Protection of Software

5.01 Licensee agrees to take all reasonable steps to protect the Software and documentation, if any, from unauthorized copying or use. The Software source code represents and embodies trade secrets of BYU. The source code and embodied trade secrets are not licensed to Licensee and any modifications, additions or deletions are strictly prohibited.

Section 6: Disclaimer of Warranty and Limitation of Remedy

6.01 BYU does not warrant that the functions contained in the Software will meet Licensee's requirements or that the operation of the Software will be uninterrupted or error-free. THE SOFTWARE IS PROVIDED ON AN "AS IS AND WHERE IS" BASIS WITHOUT WARRANTY OF ANY KIND OR DESCRIPTION EITHER EXPRESS OR IMPLIED INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE SOFTWARE AND ANY DOCUMENTATION. IN NO EVENT WILL BYU BE LIABLE TO LICENSEE FOR DAMAGES, INCLUDING ANY LOSS OF PROFITS OR OTHER INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF LICENSEER USE OF OR INABILITY TO USE THE SOFTWARE EVEN IF BYU OR ITS AUTHORIZED REPRESENTATIVE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. BYU WILL NOT BE LIABLE FOR ANY SUCH CLAIM BY ANOTHER PARTY. UNDER NO CONDITIONS WILL BYU'S LIABILITY EXCEED THE PURCHASE PRICE OF THIS SOFTWARE.

Section 7: Term and Termination

7.01 This Agreement is effective from the date Licensee accesses the Software and will remain in force until terminated.

7.02 BYU may terminate this License Agreement if Licensee breaches any of the terms and conditions. Upon termination of this Agreement for any reason, Licensee shall cease access to and return the Software copies and documentation, if any, to BYU. All provisions of this Agreement relating to disclaimers of warranties, limitation of liability, remedies, or damages, and BYU's proprietary rights shall survive termination.

Section 8: Indemnification

8.01 Licensee agrees to indemnify BYU against any loss or expense, including reasonable attorneys' fees, incurred by BYU on account of Licensee's use, misuse, transfer or unauthorized copying of this program or other breach of the provisions of this License Agreement.

Section 9: Fees

9.01 As full consideration for the License and other rights granted in this Agreement to Licensee, Licensee will pay to BYU an annual fee as shown on the current website. Any invoices unpaid and past due will be subject to a service charge on the unpaid balance at an interest rate equal to the lesser of twelve percent (12%) per annum or the maximum allowable interest rate under applicable law, and Licensee will be responsible for all expenses incurred by BYU in collection, including reasonable attorneys' fees.

9.02 Licensee acknowledges and agrees that BYU may from time to time need to raise its annual license fees as set forth in Section 9.01. Any such raises in annual fees will be communicated to Licensee at least 90 (ninety) days in advance of the license renewal deadline.

Section 10: Support, Maintenance & Future Versions

    10.1   Licensee acknowledges that neither BYU nor the BYU Technology Transfer Office has any obligation to provide any type of support for the Software, including but not limited to any maintenance, training or other services.

    10.2   This Agreement does not entitle Licensee to any future version, upgrade, update, bug fix or modified version of the Software from BYU unless and to the extent only that BYU elects to make any future version or release available to Licensee. Any such future version or release made available by BYU to Licensee shall be governed by this Agreement unless BYU makes the future version or release available under a different agreement (in which case the different agreement will govern).

Section 11: General

    11.1   If any provision of this Agreement shall be unlawful, void, or for any reason unenforceable, then that provision shall be deemed severable from this Agreement and shall not affect the validity and enforceability of the remaining provisions of this Agreement.

    11.2   BYU will appreciate any comments or suggestions that will improve the Software. Licensee agrees to relinquish all rights associated with any comments or suggestions made by Licensee to BYU if those ideas are used to improve the Software. BYU may, at BYU's sole discretion, share the improved Software with Licensee.

    11.3   Any and all rights not expressly granted in this Agreement are reserved by BYU. Unless expressly provided in this Agreement, no rights are provided to Licensee under any patents, patent applications, copyrights, trade secrets or other proprietary rights of BYU. Licensee shall not, without the express written permission of BYU, use any of BYU's marks, names, logos, trademarks or indicia (collectively "Trademarks"), nor do or cause to be done any act or thing that would impair BYU's rights in its Trademarks or damage the reputation for quality inherent in its Trademarks.

    11.4   This Agreement is governed by the laws of the State of Utah. This Agreement sets forth the entire agreement between the parties concerning the subject matter hereof and may be amended only in a writing signed by both parties.
